BRAND NEW DECADE

NEW MTFL DIVISION CHAMPIONSHIP TROPHY

Jaclyn (left) and Marta from Boston Pizza Square One help introduce the brand new MTFL Division Championship Trophy at the 2010 AGM

'In seasons past, some players expressed their desire to have a trophy that was significant to compete for.'

The 2010 MTFL held its AGM on Wednesday, March 24th at the Mississauga Valleys Community Centre in the Hazel McCallion Room. The primary theme of the 2010 AGM was 'Communication'. In an effort to improve communication between the League and its Members, teams were asked to send two team representatives to attend the AGM. One being a captain, and the other being a player that is not a captain. The Executive Committee's goal was to meet other players, facilitate active communication and interaction, encourage more involvement from more of the League's over 500 active Members. This new approach was a great success as the 2010 AGM had quite possibly its best attendance in recent years.

First major item of discussion on the agenda was the Executive Committee. All four of the 2009 Executive Committee Members; John Schiebel, Bill Chan, Jeff Ingram and Glenn Stevenson were voted back in to operate the League for the 2010 season. Although it has not been an issue in the past, there was a concern that in any given year, the League Membership could choose not to vote the majority of the Executive Committee back to operate the League. The Executive Committee took the time to explain that the League did not have an actual proper documented procedure in place that clearly outlined on how to proceed should this scenario occur. With the best interest of the League Membership in mind, the current Executive Committee proposed, should this actual scenario occur, the League would immediately dissolve, the AGM would immediately conclude, all performance bonds would be returned to their rightful owners, and any existing additional funds in the League's bank account would be donated to a locally recognized and registered charity. This proposal passed by unanimous vote.

For the second year in a row, Boston Pizza (Square One location) took part in the AGM. They provided those in attendance with some great pizza from their restaurant. Community Relations Coordinator, Jaclyn Fazio, explained to the League Membership in attendance on how they can take advantage of their Team Sponsorship Program. As the official Restaurant Community Partner of the MTFL for the 2010 season, Jaclyn was proud to announce that their location would be awarding each eligible member from each of the Division Championship teams, a \$10 gift voucher to be used at their location. In addition to that, the Most Valuable Player from each of the Division Championship games, would receive a 'Dinner for

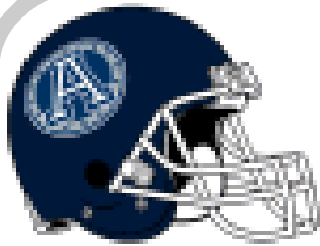

Two' certificate. Jaclyn also made a cheque presentation to Bill Chan of the Arrows with a cheque for over \$250 for participating in their restaurant's Team Sponsorship Program.

In the past, some players had expressed their desire to have a trophy that was significant to compete for. The League in previous seasons had presented an individual trophy to each Division Champion. Often at times, these trophies were not updated, well maintained, or required some extra effort by a member of Executive Committee to re-acquire it from past Division Champions. This concept was abandoned several seasons ago. The Executive Committee saw there was a need to revisit this concept of recognition. In order for this concept to work, it was deemed necessary that there be an improvement on the previous process. The objective was to secure a single, brand new trophy to be presented to all Division Champions after each Championship game, with the League maintaining possession of it and entrusted to update it annually. A trophy was commissioned to be designed and built. Mulligan Woodworking, manufactured the wood base of the trophy and Champion Trophies supplied the metal cup. Both businesses are located in the City of Mississauga. The new trophy was unveiled and presented for the very first time at the 2010 AGM. Those who were in attendance were privileged to see it first. This trophy was designed to represent a symbol of pride and excellence, unique to the MTFL. Truly a trophy worthy of competing for.

During the Open Discussion, several items were brought up for vote to the League Membership:

- League Dissolution - To this point in the League's history, there was not an outlined procedure in place on record, for the event of a potential League Dissolution. This was item was addressed earlier on in the AGM during the Executive Committee Member vote. A proposal was presented as a means to ensure the League's stability for future seasons. The vote passed unanimously and was reaffirmed.
- League Finances - Just as it was with League Dissolution, there was no actual policy in place for League Finances. The League for many seasons has voluntarily provided the full transparency of financial information to the League Membership and public, however it was not a requirement. To ensure that this practice would continue in future seasons, by

The MTFL and the Toronto Argonauts Football Club would continue its partnership in 2010, hosting a 2nd Annual MTFL Night at the Rogers Centre.

A group of people having a great time at the 2nd Annual MTFL Night

future Executive Committees, the current Executive Committee proposed it be made a mandatory policy to provide full disclosure of financial statements on an annual basis at the AGM. The vote passed unanimously.

- **Increasing Number of Starting Players** - There was a genuine concern by some that games starting with the minimum requirement of five players would likely be lopsided contests. Results have shown this was often the case. The proposal was to increase the number required minimum players to start a game, to six. The vote of this proposal did not pass.
- **Mandatory Uniforms** - As a means to improve the professional image of the League and assist game officials with identifying players, it was proposed that jersey/shirts would be of like colour and numbered. The vote of this proposal was passed.
- **Toronto Argonauts Partnership** - After last season's successful, first-ever MTFL Game Night, an open discussion was held hear feedback from the League Membership. Generally most of it was very positive and a proposal was made to run the event again. This vote of this proposal was passed.
- **Year-End Banquet** - For a few seasons, some players mentioned their desire for the League to hold a year-end banquet. The League had run this as an annual event many years ago and some expressed that they would like to see it return. It was proposed to attempt to put one together for this season, follow up at next year's AGM and determine if it is would lead to holding it as an annual event. The vote of this proposal passed.

The MTFL said goodbye to six teams in 2010. Not returning to the League were Brick, Jaguars, Kings, Lightning, Pinkofsky Gators, and Wrecked. Four new teams joined the MTFL for their very first season of action. They were Death From Above, Dirty Birdz, Offerdahl's Omery's, and Punishers. Some of the players from Brick merged with the Chargers, as did some of the Lightning players with the newly formed Dirty Birdz.

The season kicked off a 13-week schedule on Monday, May 17th. The League, as it was last year, was comprised of five divisions; 'AA', 'A', 'B', 'C' and 'D'.

2nd Annual MTFL Game Night hosted by the Toronto Argonauts was held on Friday August 20th at the Rogers Centre. The Argos faced their cross-province rivals, the Hamilton Tiger-Cats. The Argos led this low scoring affair the entire game, only to

lose it the fourth quarter. When the final whistle blew, the Ti-Cats won 16-12. Over 200 players, friends, family and game officials from the MTFL

and the MOA, attended this night, and fun was had by all.

Sticking with tradition, the MTFL held its 4th Annual Friendly game at the Mississauga Valleys along with a Division Championship Game on September 1st. There was a great turnout for the Friendly and were well represented by all divisions.

The atmosphere was exciting as many came out to take part in the festivities. I was the greatest single turnout since the Annual Friendly began. The 'Black Shirts' defeated the 'White Shirts' by a count of 25-8 in a fun and very entertaining game. The Mississauga News was present to cover the event, and Boston Pizza Square One along with a pair of Toronto Argonauts Cheerleaders were on hand to add some more to the experience once again.

The League would like congratulate all of our MTFL 2010 Division Champions; Trojans ('AA'), Gridiron ('A'), Steelers ('B'), Super Troopers ('C') and Death From Above ('D').

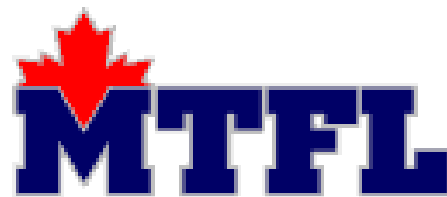

The League held a Year-End Banquet at Boston Pizza Square One on September 8th for players, family and friends. Those who were in attendance, got to meet a pair of Toronto Argonauts Cheerleaders, look at and take photos with the MTFL Trophy, watch a slideshow of photos from games and events throughout the season, and enjoy some great complimentary food.

The 39th season was another one to remember. There were a lot of competitive and exciting games, some of which were photographed and covered by the Mississauga News. It's another season in the books and we're looking forward to our 40th season next year!

RISE OF THE TROJANS

The Hawks were looking to fly atop the 'AA' Division in 2010 to defend their title. Pinkofsky Gators did not return for 2010 so a rematch was out of the question. This opened the door for another team to take on the challenge of taking it away from the returning Champions.

Promoted from the 'A' Division were the Gamecocks-Enforcers (previously known as Gamecocks) and the Saints. Both teams competed in the 2009 'A' Division Championship in which the Gamecocks came out victorious.

Rebels, Spartans, and Trojans were all back for another shot at glory in hopes of dethroning Hawks.

A new addition to the league and 'AA' Division were the Dirty Birdz. This team was comprised of some players from the now defunct Lightning squad that did not return from 2009.

The Rebels got out of the gates real fast racking up five straight wins and struggled down the stretch. The Hawks staggered throughout the season and appearing as if their team would not be in a position to defend their title. The Spartans looked unbeatable as they won four straight heading into the playoffs, building much needed momentum and earning a first-round bye.

Division Playoffs

The defending 'AA' Champion Hawks finished the regular season below 0.500 with a record of 4-6, earning themselves a first-round match up with the Dirty Birdz. The Hawks were grounded in the battle of the birds by a count of 36-6, guaranteeing that a new Champion would be crowned. The Rebels advanced past the Saints 20-8, and the Trojans defeated a very tough Gamecocks-Enforcers squad, 36-24. To no ones surprise, all the top seeds advanced to the Semi-Finals.

In the Semi-Final action, the Spartans used their week off to their advantage as they clipped the wings of the Dirty Birdz, 36-8. The Trojans faced a very determined Rebels squad in which both teams displayed some serious offensive fireworks in a high-scoring affair. When the final whistle blew, the Trojans came away with the hard fought win by a score of 53-38.

The stage was set for a battle of historic proportions as the Spartans faced off against the Trojans in the 'AA' Championship Game. The game remained very closed with both teams battling back and forth throughout the entire contest. In the end when the dust settled, the Trojans arose as the victor of this contest. The final score was 30-22.

 FOOTBALL LEAGUE**

GRIDIRON GLORY

With the defending Division Champions and the Finalists both moving up to the 'AA' Division, the Championship title for the 'A' Division was up for grabs.

The Gamecocks, last year's Champions, and Saints, last year's finalists were both promoted to the 'AA' Division leaving those who stayed, to battle over the title.

Angels, Axemen, Hustlin' Owls and King Gators were looking forward to taking their shot at the newly vacated 'A' Division crown. New to the fray were Gridiron and Reapers, who were promoted from the 'B' Division. Jaguars did not return for play in 2010 and Bears after a 1-9 season, moved down to the 'B' Division.

Introduced to the group were Punishers, a brand new team to the League that found a home in the 'A' Division.

Hustlin' Owls jumped out to a quick start winning their first three games. The Axemen and King Gators struggled early and often. Hustlin' Owls and Gridiron climbed to the top and battled through the season to contend with the Angels, however this was not to be. In the end, a win separated first from second and third. The Angels were the real story as they closed off the season by finishing off with a seven game win streak to secure the valuable first-round bye heading into the playoffs.

Division Playoffs

The opening round of the 'A' Division playoffs saw no upsets, as all of the top seeds defeated their opponents. Reapers managed to win a close one over Axemen by a count of 27-19, Gridiron won their meeting with Punishers 21-15, and Hustlin' Owls topped King Gators in a close and low scoring contest, 13-7.

In the Semi-Finals, the Angels faced a very competitive Reapers team. The game was close in the first half. In the end, the rest the Angels earned from the week prior was the difference as they advanced by defeating the Reapers, 19-6. Gridiron faced a Hustlin' Owls squad that defeated them twice during the regular season and redemption was their goal. In the end, the Hustlin' Owls were not able to match the high powered offence of Gridiron, as they advance by a count of 39-6.

The Angels and Gridiron met only once in the regular season, resulting in a 25-14 win in week 4 for Gridiron. Angels were looking to parlay their number one seed ranking into the edge to come out with the victory in the 'A' Division Championship. Defence was the story of the game as both teams were shutting down any chance of a full drive often. When the game had finished, it was the team that completed one more key drive that closed the deal. Gridiron, no longer with their team mascot, the little garden gnome, edged Angels in an incredibly exciting game for the books, by a score of 18-12. This win was for him.

STEELING THE SHOW

The Trailer Park Boyz were back to try and repeat in 2010 as the 'B' Division Champions, but the landscape of the group had changed with a lot of new teams coming in.

Moving up to the 'B' Division from the 'C' Division were the Division Champions, New World Order, along with the finalists, Greatest Show on Turf. Ashanti Warriors, Meadowvale's Finest, Razorbacks and Steelers all returned for action in the 'B' Division.

The Bears returned to the 'B' Division after one season in the 'A' Division. Being promoted to the 'A' Division were Gridiron and 2009 'B' Division finalist, Reapers.

The defending Champions, Trailer Park Boyz struggled early on in the season and finished with a 4-6 mark. However after a 3-5-2 record in 2009, there was still hope as they looked to make it up in the playoffs en route to another title.

Just as in the past couple of seasons, New World Order and Greatest Show on Turf found no problem in adjusting to their promotion to a higher division. They picked up right where they left off in 2009 making a run for first and second place. The middle of the pack was a log jam as some tie-breakers were used to separate the pack at season's end.

Division Playoffs

The opening round of the 'B' Division playoffs showed some excitement. Greatest Show on Turf showed why they finished first overall, by handing the Razorbacks a 32-0 loss. In an exciting game between the second seeded New World Order and seventh seeded Meadowvale's Finest, the heavily favoured New World Order found themselves down 12-0 at the half. It required a second half comeback and overtime for 2009 'C' Division Champions, New World Order to extend their season. The final score of the game was 13-12. In a slight upset, the Steelers defeated the Bears 18-6 and the Ashanti Warriors ended the Trailer Park Boyz hopes of winning back-to-back titles by knocking them out, 18-7.

The Semi-Finals looked to be quite entertaining. In game that many expected to be a lot closer than it had, New World Order upended Ashanti Warriors 21-6, allowing them to advance to their third straight Division Championship, with all three being in different divisions. The number one seeded Greatest Show on Turf, faced off against a extremely tough Steelers team. The game was tied right to the final minutes of the fourth quarter when a single sealed the fate of Greatest Show on Turf. The Steelers advanced to the finals by a count of 14-13, ending the possibility of a third consecutive rematch between New World Order and Greatest Show on Turf.

The 'B' Division Championship was all about defence as both teams were making big plays. In the end, the Steelers won out by a count of 13-6.

'C' DIVISION RECAP

2010 was a chance for a brand new 'C' Division Champion to be crowned. Last year's Champions, New World Order moved up to 'B' Division, along with last year's finalists, Greatest Show on Turf.

Changes in the 'C' Division saw Kings not returning for 2010, Brick merging with Chargers, and Ghosts moving down to 'D' Division. Three teams moved up from 'D' Division, last year's Champions, Gang Green, last year's finalists, Super Troopers and second year team, Wolves.

Super Troopers jumped out to a quick start and never looked back, finishing the season 10-0. Wolverines, who often fare quite well in the 'C' Division every season

and contend for the title, finished 6-4 in the regular season and in second place thanks to a tie-breaker over Gang Green who also finished with a 6-4 record.

The Hurricanes and Chargers finished tied with a 4-6 record, but the Hurricanes edged the Chargers also through a tie-breaker. Wolves were not able to catch a break during their transitional move to the 'C' Division, and finished winless at 0-10.

Heading into the playoffs, the Super Troopers were heavy favourites to take it all after dominating all season.

Division Playoffs

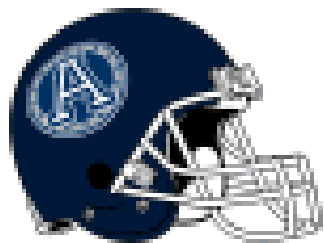

Two games started off the opening round of the 'C' Division playoffs. Last season's 'D' Division Champions, Gang Green knocked out Wolves by a score of 38-14. Hurricanes doubled up on the Chargers, 18-9 to advance to the Semi-Finals.

Both the Super Troopers and Wolverines were off on byes the previous week, and were looking forward to getting into some playoff action. Number one seeded Super Troopers took care of business by defeating the Hurricanes, 34-12. Gang Green and Wolverines faced off in the other game, with both splitting the season series one game a piece. As a fairly even match up, many expected it to be a close one. In the end, Gang Green edged out Wolverines 28-24, to set up a rematch of last year's 'D' Division Championship.

Before any players took the field, many could sense that this game was going to one of epic proportions and it was highly anticipated. It was a rematch many were hoping for, and Super Troopers had been waiting all season for a chance to redeem their loss in last year's 'D' Division Championship. Having swept the regular season series would not be enough as in 2009 they also played well against this same Gang Green squad during the regular season. Only a Division Championship would suffice. At the half, the game remained close and it appeared that Gang Green could pull out another win. In the second half, it was a completely different story as Super Troopers pulled it together and won the game by a count of 20-6.

WINNING ABOVE THEM ALL

The 'D' Division was looking for a new Champion in 2010 as Gang Green has moved up to the 'C' Division, along with last year's finalist, Super Troopers and Wolves, who finished in third in 2009.

Returning for a chance to claim that title were Arrows and ThunderCats. Wrecked chose to end their short history with the MTFL.

Ghosts were looking for some new life, as they joined the 'D' Division from being in 'C' Division last year.

New to the MTFL and the 'D' Division were Death From Above and Offerdahl's Ornery's.

Ghosts started off by flying right of the gate and rattled off five straight wins to start the season. Newcomers Death From Above showed they too could compete, winning seven straight games through the middle of the season.

Arrows and ThunderCats continued their struggles from a season ago, winning three games a piece, and the rookies on the block, Offerdahl's Ornery's found out how tough it was to win a game even in the 'D' Division.

Heading into the playoffs, it appeared that Death From Above and Ghosts would be meeting in the finals.

Division Playoffs

Only one game opened the 'D' Division playoffs in the opening round, as the Arrows faced off against Offerdahl's Ornery's in a battle of cellar dwellers for a chance to face Death From Above in the Semi-Finals. In a game which was supposed to be fairly even, Offerdahl's Ornery's grounded the Arrows with ease, by a count of 26-1.

In the semi-finals, the Ghosts faced off against ThunderCats in one of the matches. Ghosts managed to take care of the opposition by blanking them and winning the game 25-0. In the other match up, both teams new to the MTFL faced off. Death From Above defeated their expansion counterpart by a score of 42-6.

The 'D' Division Championship, fittingly pitted the only two teams in the division that finished with a record above 0.500, Death From Above and Ghosts. During the regular season, they split the season series right down the middle, 1-1-1. So this game was for bragging rights in a really big way. In the first half, Death From Above started with a modest lead and Ghosts struggled to get their offence going. When they returned at the half, Ghosts still showed a spark and looked to try and make a comeback, however all attempts to reach the endzone failed as the newcomers, Death From Above defeated

Ghosts by a score of 27-0.
